Adventure Holidays

... are our speciality. Whether your
penchant is for cycling in China and
Mongolia, walking the classic trails of
the Himalayas, Andes or a host of other
ranges, or cruising the warm waters of the
Galapagos islands, we have a wide range
of holidays for those wanting to explore the
remoter ends of the earth. From very easy
to very tough: none less than memorable.

Try X-Country Ski-ing!

For further details contact
Club Secretary - Nick Part,
Tel. Newport 542349.

We organise Nordic Ski-ing
activities to suit all ages and
abilities - ski touring on graded
terrains, racing, fun runs, training
& tuition. Day and weekend meets,
evening meets, illustrated talks, demos,
films, equipment sales etc.
Nordic ski touring is a natural extension to
summer hillwalking. It is the most effective mode
of travel when snow is lying. Also ideal training for
summer athletics, marathons etc.

What makes

OPTIMUS

Backpacking Stoves
— better? —

FOR THE HIGH PEAKS

The Climber

- **It's compact and complete** – Aluminium cooking pot & handle with integral windshield, fast petrol burner
- **It's lighter** – Just 19½ oz – lightest of all in the Optimus range
- **It's self-pressurising** but mini-pump available when used at high altitude or sub-zero temperatures. It's effective in high winds.
- **It's easily adjusted** – Flame regulator key sets at a touch to boil or simmer, burner fitted with built in cleaning needle
- **It's at its best when conditions are cramped** – Compact enough for the narrowest ledge
- **It's versatile** – Aluminium cover doubles as cookpot
- **It's performance-proved** – First choice for big-wallers the world over
